

List of Diamond Status Facilities

61 Facilities are registered to the 5 Diamond Program-25% of the 243 facilities

As of April 5th 2012 there are **17 Five-Diamond Patient Safety Facilities.**

The following schedule applies to Five-Diamond Status:

Achievement between 1/1/2011 and 1/1/2012 is valid until 1/1/2013. Providers may renew their diamond status for another year by completing two additional modules.

To recognize these facilities and their achievements, here is a listing of facilities with their Diamond Status.

Congratulations on your accomplishment and your dedication to patient safety! IPRO ESRD Network of New York would like to thank you for your hard work and participation in this program.
