SCREEN TRAINING SCHEDULE  
2009**

**SPECIAL ANNOUNCEMENT**

April 21, 2009

The New York State Department of Health (DOH) has announced that substantial changes have been made to the SCREEN form and instructions. Per the DOH, due to these changes, all previously certified SCREENERS will be required to attend new SCREEN training classes to obtain a **new certification**. This new SCREEN training program will also be required for first time SCREEN candidates. It is important to note that these changes will become effective on or about September 1, 2009 allowing only SCREENERS with the new ten digit certification number be authorized to complete a SCREEN after the effective date. These changes pertain to the SCREEN only and do not include the HC/PRI.

You will find the dates for the new SCREEN training programs on this website. Terms and conditions for class attendance and certification for the SCREEN program are also outlined. These classes will begin May 4, 2009.

Please share this notification letter with your nursing, social worker and discharge planning staff. The number of attendees for all sessions is limited therefore we cannot guarantee registration for the initial selected date. If you or your staff are unable to register for your first choice, please register for another date as soon as possible so you are not closed out for the next session!

**The fee for the SCREEN training program is \$228.00. Please make checks or money orders payable to:**

**Health Research, Inc.**

To complete this process please include the registration form(s) with your check or money order and mail to :

**IPRO**  
1979 Marcus Avenue  
Lake Success, New York 11042  
ATTENTION: Diane Thorp, Continuing Care

If your payment is not received within 45 days of registration or 10 days prior to the training (whichever is first), your registration will be cancelled.

**REMINDER: Please encourage early registration due to limited class space. Walk-ins will not be honored.**
